VALERIE KEANE

"SPELLS TO PROTECT AGAINST UNKIND"

01.25. – 02.28.2014 / OPENING RECEPTION: 6-9PM SATURDAY 01.25.2014

"Here we are on ambivalent ground, open on two different sides: seduced by pre-symbolic forms of communication, the original proto-linguistic vocality, the language of original emotions. But at the same time... predisposed to imagine the possibility of post-symbolic communication, a telepathic technology...converging toward imagined linguistic utopias, merging archaism and Futurism."

After the Future, Franco Berardi
